ODGEN CITY, UTAH.

FRIDAY, December 26, 1890

ODGEN DEPARTMENT.

The branch office of THE HERALD is in room 2, second floor, corner block No. 400, Washington avenue. Advertising rates will be made known upon application to the manager.

THE DAILY HERALD is for sale at all news stands and by all news boys, and is delivered by carrier in Odgen for 10 cents per week. No papers stopped until arrears are paid. Subscribers failing to receive papers promptly will confer a favor by notifying the circulator at the branch office. Subscribers are requested to make no payment to carriers or anyone else except the circulator. Parties desiring papers stopped or addresses changed must notify the branch office.

J. C. BOYLE, Circulator

General Cleanings.

The city council meets to-night.

The work on the Ogden river is progressing very slowly.

C. E. Wurtelle has gone to San Francisco to spend several days.

The Ogden City coroner band was out on Sunday on their streets yesterday.

The sewer is almost completed as far as Twenty-sixth street on Wall avenue.

Christmas services were held in the church of the Good Shepherd yesterday.

Mr. Skews, formerly of the Salt Lake paper company, was in Odgen yesterday.

Be sure to register to-day or to-morrow. If you fail to do that duty you will lose your vote.

The drop curtain in the Grand opera house was placed in position. It is a beautiful piece of art.

Queen City Lodge, No. 17, will give a grand banquet and ball in their hall this evening. All knights and their friends are invited.

The reserved seat sale for the library entertainment in the Grand opera house on the evening of January 1, begins this morning in the office of Joseph S. Peery, First National bank building.

Holiday Events.

The Broom and other hotels gave elaborate Christmas dinners to their guests.

To-morrow night the Ogden Turn Verein society will hold their first annual ball in the A. O. U. W. hall, and it will be a very pleasing affair.

The Knights of Pythias will have a grand banquet and ball in their hall over the Standard block this evening, which promises to be a fine social event.

Masses, Thornberg and Hosts gave a rousing musical and dramatic entertainment last evening. The hall was crowded and those present had an enjoyable time.

The first holiday ball in the Fifth ward was held in the institute last evening. A large attendance was present and the affair was highly appreciated. Another will be held on the 28th.

In operation.

Messrs. Doyle & Halverson, have almost completed the tedious task of putting in the heating apparatus in the Grand Opera house. It has been fifty-four days from the time the engines, pipes, etc., were ordered till they were in operation. The three large boilers that are located in the basement were made expressly for the building. A large boiler is located in the cellar and is so arranged that it will force the heated air to all parts of the house. And in the summer months by not using the steam it can be applied for forcing cool air into the auditorium and balconies. It is a wonderful thing in the history of the building. The heating apparatus is completely changed in the house every fifteen minutes. Aside from this method of keeping the building warm, steam coils are placed around the walls on the stage, dressing rooms, and in the basement.

Messrs. Doyle & Halverson have had at least twenty-five men at work since the contract was awarded them and through hard work they have succeeded in getting everything in readiness for the opening night.

The Firemen's Ball.

The first annual ball of the Ogden fire department was held in the city hall night before last. Fully 200 people constituted the crowd of merry dancers and not one of them failed to have an enjoyable time.

Bill Cheney, one of the best boys in the department, collected the tickets at the door. Bill was very neatly dressed in a fireman's uniform and wore a big white collar, something he had never done before, and he politely welcomed those who came to show their appreciation. Chief Rhodes looked after his friends in a most pleasing manner, and did all in his power to make the occasion an enjoyable one. He was ever alert to the comfort of those present.

The music was furnished by Christensen's orchestra and was very excellently rendered. Professor Thornberg acted as prompter.

The hall was profusely decorated with evergreens, flowers, and hose with nozzles attached were strung about the walls. It was a brilliant affair and Chief Rhodes and his able assistants received many warm friends for their hospitality.

Before the dancing began the chief made a few remarks and presented each of the boys a beautiful silk muffler, excepting Mr. Green who received an elegant gold pen. The boys in turn surprised Mr. Rhodes by presenting him with a fine gold ring with a large "R" neatly engraved upon it.

Souvenir to Jay Gould.

George W. Jones, the well known ticket broker on Twenty-fifth street, is giving out some very handsome New Year's souvenirs advertising his business. Not tending to advertise any one, he mailed one of them to Jay Gould, Esq., New York City. Mr. Jones feels certain that the great railroad magnate will acknowledge its receipt.

Hilton Brothers' Liabilities.

The total liabilities of the defunct jewelry firm of Hilton Brothers is \$1500. The Hilton brothers left town the day of the assignment and have not been seen or heard of since.

A Cutting Scrape.

A cutting scrape occurred at the Hot Springs hotel early yesterday morning. Two cooks became entangled in a difficulty and using a war of wits they began to do the knife act. The enraged "bushers" were separated before they inflicted very serious wounds. The cause of the affray could not be learned.
